

GIRLS IN STEM MENTORSHIP

EVERY GIRL DESERVES A BIG SISTER IN STEM.

The Girls in STEM Mentorship Program is designed to inspire, guide, and empower girls to explore opportunities in science, technology, engineering, and mathematics with confidence.

Through mentorship, STEM career exposure, hands-on activities, and confidence-building experiences, we help girls discover their strengths, believe in their potential, and see themselves as future engineers, scientists, innovators, and leaders.

IDEAL FOR

Girls in middle school and high school who are curious about STEM and looking for Big Sisters in STEM.
